AFFIDAVIT OF BARB HARRINGTON

1. I am Barb Harrington.
2. I am the License Investigator for the City of Flint Clerk's Office.
3. I have worked for the City of Flint for 24 ½ years.
4. I test the ballots prior to each election and prior to the ballots being sent out to the absentee voter applicants.
5. The testing ballot testing process is based on the State Elections Bureau's Promulgated Rules. The rules vary for each election cycle.
6. On June 25, 2020 at around 1:30 p.m., the City Clerk's Office receive 122 boxes of absentee ballots (See Exhibit 1).
7. Seven of the boxes contain test ballots for each of the 61 precincts located the City of Flint.
8. The ballots are required be tested to confirm whether or not the ballots are able to be read.
9. This verification process ensures that every vote is counted when it is scanned into the Qualified Voter File.
10. In the August 4th Primary Election, there are 36 ballots per test deck with the exception of 12 precincts having 26 ballots in the test desk for the 49th State District.
11. After the ballots are verified, they are mailed out to the voters.
